Cooperating Colleges of Greater Springfield (CCGS)

CCGS denotes a course taken at a CCGS consortium member institution: American International College, Bay Path University, Elms College, Springfield College, Springfield Technical Community College, Western New England University, Westfield State University.

Developmental Courses

Developmental courses (numbered below 100) are not applied toward graduation requirements. Effective Fall 1998, developmental course credits are not counted in earned hours or quality hours and grades are preceded by X (ex. XA).

Disciplinary Expulsion

Disciplinary sanction resulting in a permanent separation from the College or a program.

Fresh Start

Once in a lifetime, after a 3-year minimum absence, a student may elect Fresh Start to eliminate the effect of past grades on the Grade Point Average. All previous course work remains on the transcript. Fresh Start students attending in summer 2008 or later have one continuous record of all courses taken before and after the election of Fresh Start. Earlier Fresh Start students have two records, Undergraduate and Fresh Start. All course work prior to Fresh Start is excluded from the Grade Point Average. Certain past courses have been accepted into the Fresh Start record in accordance with the College's transfer credit policy. Prior to Spring 2014, grades of at least C- continued to count in earned hours. From Spring 2014 through Fall 2016, only grades of at least C continued to count in earned hours. Effective Spring 2017, only grades of at least C- continue to count in earned hours.

Learning Communities

LC in a course title denotes that it was part of a Learning Community.

Repeated Courses

Repeated courses are denoted with an 'R' after the grade from 1972 through Spring 1984 and an 'E' thereafter resulting in a GPA recalculation.

Transcript History

Paper records exist for course work through Spring 1984. Electronic records exist for all later work. Transcripts of students attending both before and after this transition carry the notation 'Initial Statistics', denoting that a paper record exists and should be attached.
